

Safety precautions

- Entrance to the ÚJV Group premises is at the visitor 's own risk. ÚJV Group assumes no liability for damage of any kind occurring on the works premises.
- Each visitor, including accompanying persons, is issued an access authorization badge and must be registered at the security checkpoint. Wear your badge so that it always remains clearly visible.
- Entering Company premises under the influence of alcohol or any classified substance is prohibited. Furthermore, it is prohibited to bring in, be in possession of or consume alcoholic beverages or any narcotic or psychotropic substances on Company premises. A visitor can be randomly selected for an alcohol or drug test.
- Filming or photographing on the works premises or the publishing of anything heard or seen is strictly prohibited.
- Electronics including cell phones (switched on), weapons including knives are not allowed. Prohibited objects can be stored in the assigned area.
- Participants of the excursion must wear appropriate footwear (solid shoes without heels)

Protection of personal data (GDPR)

The visitors has been informed about the processing of personal data (name, surname, DOB, ID number, address) for the purposes of unequivocal identification in the applications of ÚJV Group. More information about processing of personal data can be found on the website of ÚJV Řež, a. s. <https://www.ujv.cz/en/about-us-1/company-documents/gdpr>

Your signature of the ÚJV Řež security rules, before entering company premises confirms your acceptance of these rules.
